

APPENDIX C QUALITATIVE QUESTIONNAIRE

The following questions composed the qualitative test conducted by the students:

- What new knowledge (concepts, principles, etc.) have you learned from using Global Manager?
- What is your score after playing this new version of Global Manager?
- What did you know previously, but which playing has helped you to remember?
- What issues related to global software development are you most aware of now?
- Which version have you learned more with (basic or advanced)? Why?
- Which version do you think would be more suitable for a student? And for a project manager?
- Do you have any proposals to improve the game?
